

### Advanced Placement Credit

Applicants who have completed Advanced Placement (AP) courses are encouraged to take the College Entrance Examination Board AP Examinations. The chart indicates scores needed to receive Kettering University credit. Students seeking AP credit should have an official AP transcript sent to Kettering University directly from the College Board AP Program. AP credits do not override prerequisite requirements.

### Math Placement Examination

The Mathematics Placement (MP) Examination is for new freshmen and new transfer students entering Kettering University. University policy states that all entering students who have not received transfer credit or Advanced Placement credit for the first calculus course, MATH-101, are required to take the MP Exam.

For details on the process and availability of the MP Exam look on the Kettering website at: [http://www.kettering.edu/registrar/math\\_placement\\_examination.jsp](http://www.kettering.edu/registrar/math_placement_examination.jsp)

<sup>1</sup> Both courses must be taken and both scores must be 3 or better.

<sup>2</sup> Seek department advisement for curriculum requirement application.
