

Online Resources from the Kettering University Library

ACM Digital Library Full-text journals, transactions and magazines from the Association for Computing Machinery.

American Chemical Society Web Editions Full-text ACS publications back to the first issue of each title.

ASME International Full-text publications of the American Society of Mechanical Engineers from 2000 to the present.

CAMIO: Catalog of Art Museum Images Online Works of art from around the world contributed and described by leading museums. All content is rights-cleared for educational use.

Chilton Library The most authoritative automotive repair information available to car owners. There are thousands of year, make, and model combinations covering the most popular vehicles of the past 30 years, plus additional coverage of specialty models.

CINAHL Provides indexing for 2,931 journals dating back to 1981, covering nursing, biomedicine, complementary medicine, consumer health and 17 allied health disciplines. Does include some full text resources.

CollegeSource Online Full-text college catalogs.

Critical, Physical and Math Tables Full-text reference volumes of tabular data of interest to chemists, physicists & engineers.

EI Engineering Index (Compendex) Citations & abstracts only (no full text) from 5000 journals & conference proceedings in all engineering fields dating back to 1969. Most comprehensive overall engineering database.

ENGnetBASE Full text of 700+ CRC Press and other engineering handbooks.

Full Text Electronic Journal Holdings An aggregated list of all full-text online journals available at Kettering University, whether from databases or by individual subscription.

HarpWeek Full text of Harper's Weekly, a leading American illustrated newspaper, from 1857-1889.

IEEE Online Full text of the IEEE All Society Package of 120+ journals, transactions, and magazines from 1998 to the present.

InfoTrac A group of partially and totally full-text databases covering general, business, and health-related periodicals, and newspapers. Both scholarly journals and general interest magazines.

INSPEC Citations & abstracts only (no full text) from 5000 journals & conference proceedings in the areas of electrical engineering, physics, and computer science.

Institute of Physics Electronic Journals Full text journals from the British Institute of Physics.

Marquis Who's Who Current biographies of individuals who have appeared in Who's Who volumes since 1985 as well as in Who Was Who in America.

MathSciNet Published by the American Mathematical Society, MathSciNet is a comprehensive reviewing, abstracting and indexing database covering items published in the mathematical sciences world-wide from 1940 to present, containing over 2 million items with more than 700,000 direct links to original articles. Bibliographic data from retrodigitized articles dates back to 1864.

MEL eBooks Over 20,000 full-text electronic books in many subject areas.

MeL Free Databases Full list of the MeL databases which contain full-text articles from magazines, journals and newspapers as well as digital books, provided free from the Library of Michigan. There are many resources for K-12 students, as well as genealogy and general research databases.

Newsbank Michigan Newspapers Full text of the Detroit News (1/1/1999-Current), Grand Rapids Press (2002-Current), and Lansing State Journal (1/1/1999-Current)

OCLC FirstSearch Twenty-seven databases in many subject areas, one of which, WilsonSelect Plus, is totally full text.

ProQuest ABI/INFORM Global Largely full-text premier business database.

SAE Digital Library Full-text ground vehicle technical papers from 1998-current from the Society of Automotive Engineers. Indexing of all SAE publications back to 1906. Standards are available in the Library.

Science Citation Index Expanded Citations & abstracts only (no full text) from 5900 journals across 150 scientific disciplines. Backfiles to 1988. Most comprehensive overall science database. Cited reference searching available.

ScienceDirect Indexing for over 2000 scientific journals of which more than 700 physical science and engineering titles include full text back to 1995.

Suggested places to look for information on ...

Business, economics, management: ProQuest ABI/INFORM, InfoTrac (General BusinessFile & Business and Company Resource Center).

Chemistry: Science Citation Index Expanded, American Chemical Society Web Editions.

Computer science and engineering: ACM Digital Library, INSPEC, ScienceDirect.

Education: OCLC FirstSearch (Education Abstracts & ERIC).

Electrical engineering: INSPEC, Engineering Index, ScienceDirect.

General topics: InfoTrac (Expanded Academic ASAP, General Reference Center Gold, and InfoTrac OneFile), OCLC FirstSearch (WilsonSelectPlus).

Humanities: OCLC FirstSearch (Humanities Abstracts & Essay and General Literature Index), InfoTrac (Expanded Academic ASAP).

Industrial & manufacturing engineering: Engineering Index + INSPEC (for Computer Integrated Manufacturing), ScienceDirect.

Mechanical engineering: Engineering Index, ASME International, SAE Digital Library, Science Citation Index Expanded, ScienceDirect.

Physics: INSPEC, Institute of Physics Electronic Journals, Science Citation Index Expanded, ScienceDirect.

Science & mathematics: Science Citation Index Expanded, ScienceDirect, MathSciNet.

Social sciences: OCLC FirstSearch (Social Sciences Abstracts), InfoTrac (Expanded Academic ASAP).

When in doubt, ask a Reference Librarian for assistance! You can visit us in the Library, call (810) 762-9598, email library@kettering.edu, or even instant message us! See the Library "Ask Us!" page for details.
