Regarding signage for Kettering -- the University decided to wait until a new President is appointed before addressing this issue. Maintenance will give Diane a proposal and plan dealing with inside signs. Diane will contact the Dave Doherty at Kettering about questions relating to directions from I75 and I 69 to the University.

WKUS radio received our generous contribution of \$1,000. They will be on air by November 19. The tower foundation is being dug now. The plan is to broadcast 10 hours of educational programming per week and be on air for 12-hour blocks of times.

A "Thank You" letter was received from the Recreation Center regarding our purchase of an AED for them.

Diane included information in the Newsletter on procedures a student should follow in case of injury or illness. Security will transport any student to hospital in case the Wellness Center is closed.

New Business

Parents were urged to volunteer for Family Days, Orientation, become a Board Member and continue to support their Association. Parents may attend any Board meeting in either A or B section and volunteer for either or both sections. Contact dvyvyan@kettering.edu -- all help is greatly appreciated.

The next meeting will be February 26th at 1 p.m. in Room A, 4th floor, Campus Center.

The officer election meeting will be May 21st. Lunch will commence at 11:30 a.m. and the meeting starts at 1 p.m. The restaurant will be announced at a later date. All are welcome to attend.

Q and A

Some parents were concerned with not receiving the Newsletter. Please check with Diane regarding her current mailing list.
