MFGO-603 <sup>2</sup>		Offered (Live)	Offered (Video replay)	

<sup>1</sup> A minimum enrollment of 4 students is required to run the course. Video Replay requires a fall term offering.

<sup>2</sup> Offered concurrently with MGMT-521. Also, a concurrent continuing education course on MiniTab is available for students without a Background in MiniTab.

- Live Offering: A live offering course is being offered on campus during that term. On-campus students may elect to attend the taping. Off-campus students will receive the material a week delayed.
- Video Replay: A video replay course is a replay from a previous term. All courses are taped at least once a year so the material will be no more than 9 months old. Faculty are still available for correspondence.
- On campus only: These lectures are not recorded. Therefore, they are available to on campus students only.
