You are a Kettering Bulldog and a part of our community. We’ve read your applications, essays, and letters of recommendation. You are a talented and tenacious group of Bulldogs! We’ve been cheering you on and will continue to do so during these unprecedented times.

We are rapidly developing new avenues to connect and support you and your family, please check your email & student portal regularly for continual updates.

• **Concerning Spring 2020 grades only**
  - Kettering University will award course equivalency credit for viable transfer courses with a grade of “P”, “S” or other equivalent non-qualitative binary marks. We will refer to any available transcript key in each case and Kettering’s [transfer credit guidelines](#), including definitions and transfer credit standards.
  - Kettering University will consider courses with a grade of “P”, “S” or other equivalent non-qualitative binary marks, further you will not be at a disadvantage if your school adopts a credit/no credit (pass/fail) grading policy. As a college that is committed to holistic review, we consider each applicant within the context of their entire application.
  - We understand that official policies regarding grades and transcripts vary. Please contact us at admissions@kettering.edu with questions about transferring credit.

• **Concerning Spring 2020 Advanced Placement and International Baccalaureate**
  - If the student provides results from an Advanced Placement (AP) or International Baccalaureate (IB) exam(s) taken in the spring of 2020, Kettering will use the existing policy for [AP/IB credit and placement](#).
  - If a student was unable to take an AP/IB exam but a grade for the course is available on an official transcript, then Kettering will award credit based on the grade earned in the course per the transfer credit guidelines.
  - If presented an exam outcome and course grade prior to enrollment, Kettering will consider the higher of the two.

**Next Steps, full and personalized checklist available in your Kettering Student Portal**

• **Deposit Decision Day, Make a Deposit**
  - We understand that students may need more time to make informed college decisions this year. To that end, the Kettering University Admissions Office is recognizing **June 1 Decision Day** instead of the traditionally recognized May 1 National Decision Day. We feel that students should not submit their $300 enrollment deposit until they are confident in their decision to attend Kettering University. Enrollment deposits are refundable through June 1, 2020. We are here to help. Let us know if there is any information
you need or how we can assist you.

- **Financial Aid and Scholarships**
  - Kettering University will lock tuition, room and board rates for incoming undergraduate students at last year’s rate. The University has no academic fees in addition to tuition.
  - If you haven’t done so already, submit your FAFSA today to receive your 2020-21 financial aid package.
  - If you have already submitted your FAFSA, and your family has had a recent financial change, please reach out to our Office of Financial Aid at 1-800-955-4464 x7859 or finaid@kettering.edu.
  - Kettering University’s Admissions Office is closely monitoring the COVID-19 situation, and its impact on ACT/SAT test dates. Based on the current test date options, students accepted after February 15, 2020, will have until July 15, 2020, to submit additional SAT/ACT scores for Merit Scholarship consideration.
