KU’s COMMON HOUR TESTING GUIDELINES

1. Testing outside of regularly scheduled class times is restricted to only those classes where there are multiple sections and one test is used for all students.

2. The scheduling of common hour exams will be limited to 50 minutes, 12:25 p.m. – 1:15 p.m., third through tenth week only.

3. Optional test times of 6:00 p.m., 7:00 p.m., or 7:00 a.m. may be offered, but only used when agreed upon unanimously by students during the first week of the term. Optional test times must not exceed 50 minutes.

4. Each common hour test period used will be one regularly scheduled class period.

5. The Registrar’s Office will be responsible for reserving the appropriate room and informing each professor of the dates and time of the exam.

6. The professor should try to ensure that no conflicts exist and facilitate rescheduling for students whose attendance is not possible.
